SUMANTH D N

UI/UX DESIGNER

Overview

Results-driven UI/UX Designer with a passion for creating engaging digital experiences. Developing easy-to-use web interfaces and stunning graphics, creating a branding that warrants attention. Expertise in managing design teams while interacting with other departments. Eager to implement advanced user-oriented design methods in product development.

Work History

Image Of A Child Pvt Ltd. (Amphiventures)

UI/UX and graphic designer (intern (Nov 2022 - May 2023) fulltime(May 2023 - Aug 2024))

- Lead designer for the complete website and LMS product UI for both web and mobile apps. Created comprehensive design systems, user flows, and low and high fidelity prototypes.
- Collaborated closely with founders and curriculum coordinators to develop early child hood experiences through mini games.
- Developed UI templates for mini games which were used to create over 2000+ gaming activities using Midjourney AI.
- Managed a team of 12 members, overseeing the creation of mini games.
- Created branding kits, illustrations, and icons for web design.
- Designed posters for social media and printing works used in IOAC videos. Developed branding materials for training events, bootcamps, and product launches (e.g., Le Meridian, Coimbatore).

Freckled Pvt Ltd. (Amphiventures)

UI/UX and graphic designer (intern (Nov 2022 - May 2023) fulltime(May 2023 - Aug 2024))

- Core member of the design team, responsible for creating design systems, site maps, user flows, and low and high-fidelity components. I successfully revamped the entire website, focusing on improving user experience and functionality with approx 2.5x faster load time and 33% higher traffic.
- Reconceptualized the Freckled theme and rebranded the company in cubism theme, creating brand assets for UI and brand advertising.
- Worked on various social media campaigns, product presentations, brochures, and branding for corporate events (KRPIET Coimbatore, Human Inverse).

Smartworks Co-Working Spaces Pvt Ltd.

Design Intern (Aug 2021 - Nov 2021)

- Delivered wall art and glass frosting designs for over 20 MNC brands, including Teva Pharma, HP, Havells, and Bridgestone etc.
- Helped the Interior Draft Design team create blue print renders.
- Collaborating with interior design team and graphic design team getting requirements with new workspace clients.

Sorbetto Gelataria And Cafe. (Freelance)

Graphic designer (Nov 2021 - Feb 2022)

- Created appealing menu boards and banners to successfully advertise their goods and services to customers.
- Designed eye-catching Instagram posters to help with overall branding and marketing
